

Curriculum Vitae :

Name: Dr Deepak Kumar Gupta; MBBS, MS (surgery), MCh (Neurosurgery) AIIMS,

*ATLS Faculty and *Fellow AO spine.

Asst Prof Neurosurgery, Neurosciences centre and assoc JPN apex trauma centre, AIIMS, New Delhi-110029, India

Postal address : 308, 3rd Floor, Jai prakash Narain apex trauma centre, All India Institute of medical sciences, Raj Nagar, New Delhi-110029.

Email: drdeepakgupta@gmail.com/dg_neurosurgery@yahoo.com

Phone: 9811882710/91-9868398241/91-11-26731170

Fax: 91-11-26589650

OPD days : Tuesdays (F2,Neurosciences centre,AIIMS), Fridays(104, 1st Floor,JPN apex trauma centre) :1000-1300hours (meeting by prior appointment).

Area of interest: Minimally invasive spine surgery in trauma, Image guided surgeries in traumatic neurospinal conditions, Stem cells in post traumatic paraplegics, Persistent vegetative state and use of dorsum column stimulators, Pediatric neurosurgery, Glioma research and use of novel radioimmunotherapy/targeted therapies.

ATLS certified faculty.

Achievements:

Editorial board: Various international indexed journals viz Childs Nervous system, Pediatric Neurosurgery, IJNT, Clinical neurology and neurosurgery, Pan Arab Neurology journal.

Executive board member of various neurosurgical societies: Neurotrauma society of India, Delhi neurological association.

Life member of various neurosurgical and trauma societies of India and National neurotrauma society (USA), Congress of Neurological surgeons (USA).

Chaired scientific sessions in various national/international neurosurgery congresses viz European Skull base surgeons conference, Rotterdam, Netherlands, International society of Pediatric neurosurgeons, Los angeles (USA), National neurotrauma conference (Jaipur, India).

Recipient of International society of Pediatric neurosurgery Fellowship, AO spine travelling fellowship, European skull base surgery society travelling fellowship, World federation of neurological society and Congress of neurological society fellowships. Recipient of best paper presenter award in various neurotrauma, pediatric neurosurgery and Congress of neurological surgeons, USA meetings.

Number of scientific papers published in various indexed journals: 45

Number of chapters written in various text books: 6
